## Written Communications Contest

The 4-H Communications Contest is a State level competition for  
Youth Ages 9-18 who have a passion for writing

Providing youth with the ability to enhance and develop communication skills is of great importance in Kentucky. The development of communications skills is one of the preeminent skills necessary to grow as an individual, a community member and a leader. Using age-appropriate activities selected from the approved Kentucky 4-H Communications & Expressive Arts Curriculum, educators can maximize the ability of youth to develop their writing, reading and personal communication capacities. This in turn creates a solid foundation for positive youth development.
